

Home Church Questions – April 14, 2019

1. Begin by reading Matthew 22:34-40
2. Thinking about how the world sees Christians, do you think “They’ll know we are Christians by our love”?
3. Can you think of an example in your life where you either felt inconsistent love or demonstrated inconsistent love? Did this ever affect your faith, your views of Christians or even Christianity?
4. How does our imperfect demonstration of love affect our relationship with our neighbours, our friends and our family?
5. How did Jesus demonstrate love to those he encountered? How did he demonstrate love for the world? How can we emulate Jesus’ love? How can we make love our governing principle?
6. In Luke 10, we find the parable of the Good Samaritan – take some time to read this now. As we approach Easter, think about your neighbours and how you can best follow Jesus example to show love.
