**Running with Jesus, Hebrews 12:1-3**

1. Opening: It's your first group meeting in several weeks. Share about your past month—something that was hard or disappointing, as well as something that was lifegiving and joyful.
2. Hebrews 12:1-3 compares the life of faith to a race. For you, what is helpful or not helpful about this analogy? (*Optional*: Take a look at 1 Corinthians 9:24 for a slightly different use of this image.)
3. The passage talks about “everything that hinders” and “the sin that so easily entangles.” What is one challenge (external or internal) that you are facing right now in your ‘race’ as a Christian?
4. Pastor Cara suggested that God offers us three joys to help us persevere in our life of faith: Witnesses (an entire cloud!), a Worthy reward, and the Winner Jesus. Give an example, either past or present, of how these joys have been helpful to you. Or, what might you do to see these joys as encouragement in your life moving forward?

Faith's vision for Home Churches is that they function as part of your “cloud of witnesses,” your “running club of faith.” Spend some time praying for one another.
